*** Upon review of the final report signed by the foreperson, it was observed that the total "Cases Presented" did not equate to the totals across "Felony Indictments Returned" & "Remanded as Misdemeanors" & "Dismissals." This appears to have been the result of a failure of Excel to calculate the correct number of cases presented on one particular date. This error is rectified above, as the correct number of cases presented during September 2023 was 189.*** KJN
